- Where:** Andover High School: 2115 Andover Blvd. Andover, MN 55304 (in the cafeteria)
- Who:** The challenge section of this tournament is designed for players who are looking to play stronger opponents. If you are a USCF rated player, this section is designed for players rated 1000+. This section is designed to provide 3 or 4 longer, more solid games than the trophy section. While this tournament is not rated, it is treated like a rated tournament.

* Register family members on the same form and pay only \$5 for each additional member.
- Awards** Awards in the challenge section will be cash prizes and/or gift cards. The number and size of the prizes is determined by the number of registered players. The more people, the bigger the prizes will be. With a large turnout, there is the possibility of various class prizes.
- Tournament:** This tournament IS NOT a USCF rated tournament; however, USCF rules will be followed as closely as possible. There will be no elimination. Every player will play at least three games (up to 5 depending on numbers) and all players will compete as one group (this means that a school-aged child may have to play an adult, etc.).

Games will be played with a chess clock, please bring a chess clock and/or a chess set if you own one. Each player will be allowed 30-45 minutes per game depending on the number of rounds. THIS IS a touch-move tournament.
- Registration:** Mail this entry form and payment (**check written to Andover High School**) to the address below (must be **Postmarked by May 17th**).
