- Tournament:** This tournament IS NOT a USCF rated tournament; however, USCF rules will be followed as closely as possible. There will be no elimination. Every player will play at least four games (possibly 5 depending on numbers) and all players will compete as one group (this means that a school-aged child may have to play an adult, etc.).

Games will be played with a chess clock, please bring a chess clock and/or a chess set if you own one. Each player will be allowed 30-40 minutes per game depending on the number of rounds. THIS IS a touch-move tournament. If you touch a piece, you are required to move that piece (if it can legally move). All players are expected to know the rules of chess (castling, en passant, piece movement, check, check-mate, etc.)
